*(Voice interpreted using closed mic system - limited systems available.)*

**Workshop Description:** This workshop focuses on Deaf communities around the world with their struggles and successes. Including how certain Deaf organizations and groups made some changes in their respective communities. Personal experiences from traveling around the world will be shared. Real life applications of Deafhood will be applied and presented.

#### **ASL Classifiers**

**Presented by Nigel Howard**

Saturday, March 6<sup>th</sup> 9am-4pm

Cost \$79  
0.6 CEUs (some content knowledge required)

**Workshop Description:** This workshop focuses on the effective utilization and clear production of classifiers whilst signing in ASL. Included will be how to do the visualization appropriately rather than being dependent on the audio-logical aspect due to the influence of English Language (i.e. holding English forms). Additionally the utilization of placement and 3-D space will be explained and practiced. This workshop is heavily “hands on” activity.

**All workshops will be located at:**  
Bread of Life Deaf Lutheran Church  
2901 38th Avenue, South  
Minneapolis, MN 55406  
website: [www.breadoflifedeaf.org](http://www.breadoflifedeaf.org)  
Street parking only.
